

An ecosystem is there  
Water is in the indoor air  
From the faucet use it to thrive  
Plants need it to survive  
Pets the pests and even mold  
Have you been told  
Water is basis of life  
That's absolutely right.

**Chemists Celebrate Earth Day (CCED) 2016**  
**"The Great Indoors – Your Home's Ecosystem"**

**ILLUSTRATED POEM CONTEST ENTRY FORM**

Please fill out this form, print, and attach to the back of the poems. All fields are required. Incomplete forms will invalidate the entry. The receipt deadline for the **Sioux Valley Local Section Contest** is **April 27, 2016**.
