The Ned D. Heindel Lectureship Award has been established as a continuing memorial to our late friend and colleague, Ned D. Heindel, former ACS President and Emeritus Professor of Chemistry, Lehigh University, who died June 27th, 2023, at age 85.

Allen B. Reitz, 2024 Ned D. Heindel Lecturer

Reitz received his Ph.D. in chemistry from the University of California, San Diego and an Executive Master's from the University of Pennsylvania (Penn Engineering and the Wharton School). Reitz was at Johnson & Johnson in Spring House, Pennsylvania for nearly 26 years before founding FCTDI in 2008. Allen is also founder and CEO of ALS Biopharma LLC, a biotechnology company developing small-molecule therapeutics and diagnostics for the treatment of amyotrophic lateral sclerosis and Lou Gehrig's disease.
