

We were on a mission to find the BEST ACS Network Profile
as voted on by the ACS Network community...

And the winner is
Suasy Acevedo!

**Congratulations for representing
the Best of the ACS Network!**

**Check out
Suasy's winning Profile
and then create your own!**

Your ACS Network profile is your gateway to connecting with over **200,000 chemists worldwide**. If you want to be found and find others, develop a comprehensive Profile of yourself that includes your experience, expertise, ACS activities, citations, education and more! Then search for colleagues with similar interests and build your professional Network in the ACS Network, the premier online community for scientific collaboration.

Meet Suasy Acevedo Muñiz! Chemistry Undergraduate Research Student at the University of Puerto Rico, Mayagüez Campus. Member of Science on Wheels Program. Studying Cancer Colon Cells and interested in Medicinal Chemistry. Past President of the ACS Mayagüez Student Chapter. Chemistry Ambassador of the ACS for the Puerto Rico Local Section. Recipient of the 2011 Student Leadership Award. Read Ms. Muniz's complete profile at www.acs.org/network
