

OUT TO INNOVATE 2012

Presented by: NOGLSTP October 13-14, 2012 Hosted by: oSTEM at Ohio State University

Connect. Create. Innovate.

Don't miss the opportunity to participate in **OUT TO INNOVATE 2012**, a Career Summit for LGBT people in Science Technology Engineering and Mathematics

October 13-14, 2012 at Ohio State University, Fawcett Center, Columbus OH

Presented by National Organization of Gay and Lesbian Scientists and Technical Professionals (NOGLSTP), and hosted by oSTEM at Ohio State University, Out to Innovate 2012 offers a variety of noted professionals who will share their insights on leadership, mentoring, workplace opportunities, and career choices for LGBTQ students, faculty, and career professionals.

Be proud of your accomplishments.
Be proud of your abilities.
Be proud of your potential.
Be proud of you!

Connect with LGBTQ experts, professionals and colleagues in the fields of science, technology, engineering, and mathematics

No matter where you are in your career, you'll learn valuable information about opportunities in your field and gain practical insights on how to prepare for job interviews in today's professional environment.

Explore the endless possibilities of connecting with those who have gone before, those who are standing next to you, and those who are following your lead.
