MEMBER CATEGORIES

Regular Member:

A person that has a degree or certification in chemical or related sciences; or certification as a teacher of a chemical science.

Graduate Student Member:

A person who is a full-time graduate student, majoring in a chemical science or a related academic discipline.

Undergraduate Student Member:

A person actively working toward an undergraduate degree in chemistry or in a related academic discipline.

Non-Scientist/Society Affiliate:

A person who is not eligible to become a member of the Society but whose major vocational effort is directly concerned with the practice of a chemical science.
